Kim Hoff **School Counselor** **Hastings High School**

Kim Hoff earned a Bachelor of Science degree in English and Secondary Education from St. Cloud State University in 1995.

In 2011, she earned a Master of Science in School Counseling from the University of Wisconsin, River Falls. She joined the Hastings High School counseling staff in 2012. She advises both the Peer Tutor and Peer Helper programs and is the facilitator for several support groups. She began the Peer Helper program at Hastings High School in 2013 and has partnered with agencies such as 360 Communities, Allina Clinic, and the Hazelden/Betty Ford Foundation to provide training for student mentors. She is also a member of the Dakota County Safe and Drug Free Schools Collaborative.

Paula **Student**

Paula will speak about her experience confronting and navigating rape culture in high school. She is hopeful that the conversation surrounding sexual violence can evolve to include both how we can best intervene when it occurs and how we can prevent it by working with our youth.
