MAC Board Meeting - MAC Office, St. Paul
March 10, 2016 - Meeting Minutes

I. Called to Order at 10:05 a.m.

- Those present:
Board of Directors: Vanessa Barr, Chris Jensen, Shane Baker, Vicki Walechka, Sara Miller, Brenda Skogman
By Phone: Catie Houck
- Executive Director: Bobbi Holtberg
- Additional: Kelly Nicholson

II. Agenda

- Changes: None
 - Additions: Insurance – Carolina/Hartford and email from JoAnn Jones (OJP) in regards to conference
- Motion made to approve the March 2016 agenda with additional items added.
Motion 1st: Sara Miller
2nd: Brenda Skogman
Approved changes to agenda.

III. Secretary's Report

- Reviewed March 2016 Minutes.
 - Change in the Director's Report – it states that the Crime Victim Services RFP would be out at the end of the month for all coalitions to apply – this is incorrect, it's not the CVS funding that was released, it is the grant funding specifically for training and only the six coalitions can apply.
- Motion to approve Secretary's Report from February 11, 2016.
Motion 1st: Vicki Walechka
2nd: Chris Jensen
Approved secretary's report with corrections.

IV. Treasurer's Report

- Reviewed financial report. Brenda updated the Board that she submitted a grant revision to OJP moving \$5,000 from building costs/rent and \$8,500 from personnel = \$13,500 to contract services for strategic planning/consulting. The budget revision was approved by OJP. Aurora Consulting will invoice MAC \$1,250 each month starting in March and going through December 2016.
- Motion to approve Treasurer's Report for March 2016.
Motion 1st: Sara Miller
2nd: Catie Houck
Approved.

V. Director's Report

- Updated the website.
- Liz Richards of MCBW has submitted a grant to Bremer on behalf of all the coalitions asking for money to help with Action Day. Should hear back soon otherwise the "Action Day" committee is asking for \$500 from each coalition to help with expenses.
- MAC is canceling the silent auction at OJP Conference this year due to shortened conference length. Bobbi updated the thank you letter with this information and is contacting any businesses that sent gift certificates that expire soon to see if the dates can be changed. The Silent Auction list continues to be updated and can be viewed on Google Docs about items received. Silent auction will be held during the annual meeting/training.

- OJP sent an email to Liz (MCBW) & Jean (MNCASA) about the possibility of having a combined reception by the pool at Cragun's this year due to time constraints, normally we would have a wine/cheese meet & greet event. Bobbi will plan to be at the event along with any other board members that will be present at the OJP conference this year.
- April 29, 2016 is the full-day retreat being facilitated by Aurora Consulting. The "Design Team" includes Bobbi, Vanessa, Chris & Vicki and they will be working on the agenda prior to the meeting and answering any questions Aurora may have before the retreat day.
- The charitable organization fee was not submitted; putting that in the mail today and working with Brenda to create a worksheet listing things that need to be done with their annual deadlines to avoid this in the future.
- June 9, 2016 is the Granite City Food & Brewery Fundraiser in Roseville, this happens to be a board meeting date so those wanting to go after the meeting for lunch are welcome. A flyer was shown around and will be distributed to members. Kelly Nicholson knows an individual that works in Roseville Tourism and will send a flyer there. Brenda agreed to help look for places to hold the training at. Hope to have a venue located soon – preferably by April 1st. March 30 at 4:00 p.m. is the training grant deadline.
- OJP updated the grant crime standards and the coalition standards.
- Legislation for this year – firearms and body cams will be the main topics. No bill submitted yet for body cams, the Chief's Association and Coalitions want it to be the presumption that the video is private with exceptions, most states that have body cam laws are opposite. Some clean up language changes on certain items such as HRO's. May see a new position created at the State to handle sexual assault medical forensic exam payments for a statewide system, versus the county-wide system currently in place.
- Insurance update: working on a Director's/Officer's policy; working and looking at a policy with West Bend through Bremer (quote good for 30 days) rather than Carolina Insurance – cost is about the same but has \$1 million coverage and will cover the Board for past, present, and future.
- Bobbi found a second Hartford Business Owners and Accident Indemnity policy – this is required by MADD and renews in May.

VI. Committee Reports

- a. Executive Committee: None
- b. Special Events Committee:
- c. Legislative Committee:
- d. Publishing Committee: None
- e. Marketing/Development Committee: None
- f. Strategic Planning Committee: Full day board training on Friday, April 29, 2016 at the Northwest Area Foundation to start the strategic planning process.
- g. Financing Committee: None

VII. Other Agenda Items

- Policy and Procedure updates - motion made by Brenda Skogman to approve the updates and seconded by Sara Miller. Approved.
- Training RFP – Bobbi is meeting with the other coalition director's today about the training grant and hope to negotiate up front between themselves about the amounts they all will request.
 - o OJP would give \$10,000 to help coordinate training for the coalitions but that will be after the deadline date.
 - o This is a two-year training grant and looking to ask for money for research and development of training materials in year one and money to deliver the training in year two.

- Discussed starting and having a basic victim rights training; as part of this discussion, looking to ask OJP about who will help train and create the victim/witness positions they are hoping to fund with new grant dollars in FY17. May be an opportunity for us?
 - Other thoughts with this money is to develop a quarterly web training moving forward.
 - Asking for assistance to help with the budget/dollar amounts – Kelly Nicholson, Sara Miller, Brenda Skogman, & Chris Jensen volunteered to help check on training facilities and costs.
- Tribal Summit is May 24-25 – it's free for all to attend, Bobbi plans to attend and will go directly to the OJP conference in Cragun's. Let Bobbi know if you are planning to go to Tribal Summit.
- Website Design: Vanessa signed the contract with Voyageur Web out of Mankato to update and create a new MAC website. Looking at a 6-8 week design timeline, discussed starting design process later to see what happens with the strategic planning process but wanted to get contract signed for technology grant. Possibly will have the design team come to a board meeting in May to talk about the updates. Asked for volunteers to assist with web page design or be on the committee: Vanessa, Bobbi, Vicki & possibly Lisa.
- Resignations: Catie, Sharon and Lisa have submitted letters of resignations. Sara Miller made the motion to approve the resignations, Shane Baker seconded. Approved. Discussed having some type of recognition for Sharon & Lisa at the annual meeting for all the years of service and hard work they have done for MAC.
- Ad hoc Board Member Applications: three new members being invited to join the MAC executive board, Karla Bauer, Kelly Nicholson & Danielle Kluz. Also received one from Diana Stair Umadahn, the Safe at Home program coordinator. Bobbi will be meeting with Diana in April – she had sent in an individual application to join MAC along with a board member applications – will revisit this in April after meeting with her. Bobbi will meet with Habir (previous MAC board member and currently working in Hennepin Child Protection) on March 24 to discuss possibly rejoining the board. Meeting with a victim, Angela Miller, who had a 2-year old child murdered when living in Colorado (neighbor shot at her husband who happened to be holding the child but hit the child instead). She does have a book/blog; Angela is expecting a baby April 1, 2016 so not able to join the board at this time but possibly in future.
 - Explanation that ad hoc members can be on established committee's but cannot vote
- Brenda Skogman made the motion to approve the new board members and Sara Miller seconded. Approved.
- Another name discussed and will be added to April agenda, Joy Freeman. She used to be with Breaking Free but currently on the MCBW board.
- Vice President/Secretary appointments: With the resignations accepted, there are vacancy's to be filled on the Board. Sara Miller agreed to be the new vice president, motion made by Brenda Skogman and seconded by Shane Baker. Approved. Vicki Walechka agreed to be secretary, Brenda Skogman made the motion and Sara Miller seconded. Approved.
- Dates/Places of future board meetings: Discussed the upcoming meetings and that they will go until 1:00 to allow for an hour to meet on the strategic planning process. The July and October meetings will be held in Willmar, the rest will remain at the MAC office and will look at using another room for more space.
- Committees: looking to change and go to five committees, need to be more structured, meet monthly with a purpose. Looking to create one called Board Development for training and orientation of new members. Ad hoc members can be on for one year. Looking to have a slate of new board members to vote on at the annual meeting, would like to see at least 15 (20 tops) for a healthy board.
- OJP Regional Board Training: Bobbi and Vanessa will attend this training in Rochester. Brenda Skogman made the motion to pay for Vanessa's mileage to the board training, Chris Jensen seconded. Approved.

Next meeting: April 14, 2016 - 10:00 a.m. – 12:00 p.m. by PHONE/CONFERENCE CALL. If you are in St. Paul, you are welcome to participate on conference call with Bobbi at the MAC office.

Strategic Planning – April 29, 2016 – 8:30/9:00 – 4:00 p.m. @ St. Paul Northwest Area Foundation.

VIII. Adjourn

Motion to Adjourn meeting at 11:51 a.m.

Motion 1st: Brenda Skogman

2nd: Sara Miller

Approved

Respectfully Submitted,
Vicki Walechka

April 14, 2016 – Board Meeting
Director's Report

Events

- **Action Day:** was held on March 30th. We did not receive the Bush Foundation grant to cover costs. The participating coalitions have agreed to split the costs. Previously, the MAC board had indicated MAC would contribute up to \$500 for the incurred costs. Liz Richards will be compiling the invoices and the coalition directors will discuss payment at the April 22nd Director's Meeting to be held at MNCASA.
- **NCVRW:** MAC participated in a tabling event at the Hennepin County Government Center on Tuesday, April 12th from 11:30-1:30.
- **Silent Auction:** Thank you letters have been sent for donations received and include an explanation of the change of date for the event. Phone calls need to be made to businesses that have not submitted a donation.
- **OJP Conference:** MAC, MNCASA, and MCBW will be co-hosting a reception on Thursday night at the conference from 6:30pm – 7:30pm. The three coalitions will split the cost of a portable bar (set up and tending – flat rate) \$75 + 18% service and 7.375% tax = \$95.03. I have submitted the request to table at the Resource Fair. OJP is soliciting bingo prizes and MAC has approximately 12 bottles of wine leftover from last year's reception. Would the board consider donating those to OJP to be used as bingo prizes?
- **Staff/Board Retreat:** April 29, 2016 8:30-4:00 at the Northwest Area Foundation 4th floor training room located in the Drake Building. MAC will provide Subway sandwiches, chips, and beverages for lunch. If anyone has a special dietary need, please let me know.
- **Granite City Fundraiser:** The flyer for the June 9th event is attached to the board packet. Please distribute it widely among your networks. Thank you to Kelly Nicholson who reached out to her friend Carrie who works for the Roseville Chamber of Commerce. Carrie will be distributing the event flyer to local hotels and businesses. Note: You only need to mention MAC when dining on June 9th. You do not have to show the flyer.
- **2016 Annual Membership Meeting and Training:** Sara has been exploring venue options. Once we know OJP's decision regarding the training grant submitted, we will begin outreach to possible trainers.

Issues

- **Membership Renewal and Fee Structure:** I would like to explore making changes to MAC's current member fee structure. I have gathered information from other coalitions, which is attached. I am also working on development of a Membership Agreement that will outline the benefits and responsibilities of membership. I will have a draft completed and out for the BOD to review by the first week of May. The board will need to vote on the changes at the May board meeting so we can begin sending out 2017 renewal information.
- **Website Development:** Vicki and I met with Chad from VoyaguerWeb on April 1st. I have asked Danielle Kluz to join the website design team, as communications and marketing are her area of expertise. I am recommending enhancing the website design so that it can accommodate online event registration, payments, and donations. I am also recommending we go with the gold standard of email hosting and pay for 5 email addresses to be hosted. The Technology Grant has a required \$3000 match. Any discounts/pro bono work the developer offers can be counted towards the match. Per OJP, board members' time spent working on projects outlined in the grant cannot be applied to the match.
- **Social Media:** I have asked Danielle Kluz to become an administrator of MAC's Facebook and Twitter accounts. Danielle has agreed to be the primary "poster and tweeter" for MAC 😊
- **Board Development:** I have drafted and attached a BOD Job Description and Annual Conflict of Interest Declaration. Please review and provide feedback at the April BOD meeting.
- **Crime Victim Justice Unit:** Carolyn Bryant from the CVJU has contacted me regarding how MAC and the CVJU could create processes to ensure exchange of information and collaboration. CVJU often is the first to become aware of trends and issues that are negatively impacting crime victims statewide. Often, because of their status as a government entity, they are not able to respond in ways that will lead to sustained change. Carolyn created an information sheet that is attached, to assist the MAC board and stakeholders to better understand CVJU's role and the benefit of solidifying our relationship.

Training

- The OJP VOCA Training Grant application was submitted on March 25th. Chris Anderson has indicated award decisions will be announced by the end of April. I have attached the submitted project narrative and budget.
- Vanessa and I attended the OJP ED/Board Chair training on March 22nd. The training was facilitated by MAP for Non-Profits. The training provided a good overview of how ED/Board Chairs should ideally be working together and also brought up other topics that pertain to ensuring the overall well-being of non-profit organizations. One issue identified was the need to present financial information in a concise and easy to reconcile way. I will be working with Heidi, Brenda and Vanessa to see if we can identify a financial "dashboard" program to be used for monthly reporting.

Misc.

- As of April 8th, I have not received a lease from MADD to sign. I spoke with Art Morrow and he indicated that he had failed to follow-up with the national MADD office and said he would try to have information to me within 2 weeks.

Legislative — There have not been any substantive changes to any of the proposed legislation that I outlined in my March ED Report. All items being supported by MAC have moved forward.

Bills pertaining to body cameras are changing daily. I have attached Rep. Scott's Bill and amendments introduced by Rep. Cornish and Sen Latz. It is likely that no action will be taken during this session regarding classification of body camera data, which is a key issue. A task force was formed to continue to explore the issue. Research regarding laws in other states has proven less than helpful as Minnesota's existing data privacy laws allow for far more data to be shared than in most states. I will continue to monitor, as best I can, and will update the MAC board and membership as warranted.

- Participate in e-mail discussion lists with advocates from across the state, including up-to-the-minute news and resources.

MCBW Mission

The mission of the Minnesota Coalition for Battered Women is to provide a voice for battered women and member programs; challenge systems and institutions so they respond more effectively to the needs of battered women and their children; promote social change; and support, educate, and connect member programs.

We define battering as the use of a range of coercive tactics, including the threat or use of physical and sexual violence, to establish and maintain control over one's intimate partner. In the 1970s, women around the world forced their communities to recognize that male battering of women was a widespread and serious social problem. These activists created women's shelters, advocacy programs, state and national coalitions in response, with the goal of ending this form of violence against women. While this goal remains our primary concern, MCBW member programs understand that any individual may choose to batter a partner; thus we strive to effectively assist all individuals who are experiencing battering in their heterosexual or homosexual, dating and intimate relationships.

Core Values

1. We oppose the use of all forms of violence as a means of control in dating and intimate relationships, and affirm the basic human right of every person to live without fear or the threat of violence throughout the course of one's life.
2. We understand that women have been and are the primary victims of battering as a result of patriarchal cultural values that historically have either expressly sanctioned or implicitly tolerated violence against women.
3. We stand in solidarity with efforts around the world to end all forms of discrimination, exploitation and violence against women, including prostitution and sexual trafficking.
4. We recognize that forms of oppression based on race, gender, class, ethnicity, nationality, disability, age, religion and sexual orientation create a climate of supremacy and ownership that facilitates battering and sexual violence.
5. We believe in the strength of diversity, embrace the differences among ourselves and within our communities, and promote the development of leadership in all communities.
6. We undertake prevention efforts to confront and change cultural norms and practices that facilitate violence against women.
7. We promote and encourage the leadership of victim/survivors in guiding our advocacy and social change efforts.
8. We affirm the power of collective and collaborative efforts, in partnership with victim/survivors, to advocate with social systems and institutions in order to end the conditions that facilitate battering.
9. We believe that all women have the right to advocacy that supports their self-determination regarding lifestyles, finances, education, employment, sexual and reproductive matters, and responses to the violence in their lives.
10. We affirm the right of victim/survivors to confidentiality in their communications with advocates and program staff. We also promote the right of victim/survivors to safeguard their confidentiality as they seek protection or support from other agencies in their communities.
11. We seek to respond to the special needs of battered mothers and their children, and encourage efforts that reinforce the mother-child relationship, build on their resiliency and assets, and support their recovery from the trauma of living with a batterer.
12. We believe that it is the community's responsibility to confront perpetrators of battering and hold them accountable for their actions in order to prevent further abuse. We believe in the human potential for change and support community efforts to assist perpetrators who commit to ending abusive and violent behavior.
13. We encourage reflection about our work and thoughtful evaluation of our efforts. We are committed to the ongoing development of innovative strategies and programs to better meet the diverse and emerging needs of survivors.
14. We commit to create a work environment for staff and volunteers that respects diversity, fosters professional growth, encourages critical thinking and initiative, and promotes diligent and effective advocacy efforts.

1. We oppose the use of all forms of violence and affirm the basic human right of every person to live without fear or the threat of violence throughout the course of one's life.
2. We stand in solidarity with efforts around the world to end all forms of discrimination, exploitation and violence.
3. We recognize that forms of oppression based on race, gender, class, ethnicity, nationality, disability, age, religion and sexual orientation create a climate of supremacy and ownership that facilitates the use of on-going violence.
4. We believe in the strength of diversity, embrace the differences among ourselves and within our communities, and promote the development of leadership in all communities.
5. We undertake prevention efforts to confront and change cultural norms and practices that facilitate violence.
6. We promote and encourage the leadership of victim/survivors in guiding our advocacy, policy and training efforts.
7. We affirm the power of collective and collaborative efforts, in partnership with victim/survivors, to advocate with social systems and institutions in order to end violence.
8. We encourage reflection about our work and thoughtful evaluation of our efforts. We are committed to the ongoing development of innovative strategies and programs to better meet the diverse and emerging needs of crime victims.
9. We commit to create a work environment for staff and volunteers that respects diversity, fosters professional growth, encourages critical thinking and initiative, and promotes diligent and effective advocacy efforts.

MN CRIME VICTIM JUSTICE UNIT (CVJU) OVERVIEW

MISSION AND VISION STATEMENT

Mission statement:

The CVJU provides a process for victims of crime in Minnesota to question the actions by criminal justice and victim service agencies, and advances policy & practice to ensure that crime victims are treated with fairness, dignity, and respect

Vision:

THE OJP CVJU strengthens crime victim rights and elevates the value and visibility of crime victims in the criminal justice system.

CORE VALUES:

In the Crime Victim Justice Unit, our actions reflect and support our core commitment to:

- Victim-centered philosophy and practices
- Evidenced based practices in victim services
- Victims being treated with fairness, dignity, and respect.
- Recognized, critical, and valued role of victims in the criminal justice system.
- Promoting the highest attainable standards of competence, efficiency, and justice for crime victims.
- Citizens and criminal justice professionals are dealt with appropriately, openly, fairly, and impartially.
- Independent investigations and credible process.
- Constructive engagement (with subject agencies).

OPERATING PRINCIPLES:

All our programs, activities, operations and decisions reflect the:

- Best practices in victim services
- Impartiality, confidentiality and respect for all parties.
- Promotion of positive, respectful, and professional relationships, partnerships, and collaborations.
- Commitment to accountability, integrity, efficiency, timeliness, and transparency.
- Advancement of work that promotes trust, shared commitment, and collective action.

STRATEGIC OUTCOMES:

- Ensure compliance with statutory crime victim rights
- Prevent mistreatment of crime victims by criminal justice professionals
- Provide comprehensive and appropriate information and referrals to victims.
- Amend practices that are unjust, discriminatory, oppressive, or unfair.
- Improve attitudes and practices of criminal justice employees towards crime victims.
- Increase public awareness regarding the rights of crime victims
- Encourage crime victims to assert their rights.
- Provide crime victims a process to question the action of criminal justice agencies and victim assistance programs.

Minnesota Alliance on Crime (MAC) Proposed Training Priorities

Proposed training priorities were determined by responses provided by MAC members and stakeholders to the 2016 Training Needs Survey completed in February 2016. Survey participants were asked to provide information regarding topics/issues needing to be addressed to grow their capacity to better meet the needs of crime victims to which they provide services. Participants were also asked to provide information regarding training modalities, length, and location that would best meet their needs. Based on the 83 responses received, the following ranked priorities were identified.

1) Annual Capacity Building Training

1.5-day training held in September 2016 and 2017 in conjunction with MAC's .5-day annual membership meeting. Training would focus on building the capacity of member agencies to provide best practice and comprehensive victim services. Possible topics include but are not limited to:

- Ethics in Victim Services
- Improving collaborations
- Promising Practices in Victim Services
- Working with reluctant victims
- Assisting victims of crime post-conviction
- Working with incarcerated crime victims
- Impact of trauma
- Unconventional strategies for restitution recovery
- New restitution law
- Strategies to compassionately prepare victims for trial
- Risks and benefits of protective orders
- Restorative Justice practices
- Juvenile law
- U-Visa

This training will meet the needs identified in the 2016 Training Survey conducted with MAC members. The needs of victims are wide and varied and this 1.5 day training will provide opportunity for 4-6 topics to be addressed.

Anticipate 50 MAC members and stake holders will attend in 2016 and 100 in 2017. MAC will reimburse MAC member attendees for mileage, some meals, and lodging.

Written evaluations will be completed on-site after each training session. A follow-up survey will be emailed to participants approximately 60 days after training has been completed to measure what impact training information received has had on day-to-day practices.

MAC will reimburse MAC members who attend training for mileage at the rate of .540/mile if they are traveling more than 30 miles round trip, applicable meals at the allowed rate per the Commissioner's Plan, and one night of lodging at or below the federally allowable rate.

2) Fundamentals in Victim Services Training

Development of a 2-day training to be delivered semi-annually to new victim service advocates. Training would focus on grounding new advocates in the foundational underpinnings of victim services and victim rights. Curriculum outline could include:

- Fundamentals in Victim Services
- Victim Rights
- Victimology
- Working with Children
- Financial Victimization
- Domestic Violence/Stalking
- Sexual Assault

MAC Members and stakeholder victim service agencies have identified the need for training that grounds new victim service advocates in the core fundamentals and philosophies of providing victim services. Many agencies do not have the capacity to send new advocates to the full Victim Services Academy and the Academy is only offered once annually. A two-day training offered semi-annually will help to fill the current training void that exists for new advocates.

Curriculum development would take place May 2016 – March 2017. Training delivery would occur in Summer 2017 and Winter 2018.

Anticipate 30 victim service advocates will attend in 2017 and 50 in 2018. MAC will reimburse attendees for mileage, meals, and lodging.

A pre and post-test will be given to training participants, as well as, written evaluations completed on-site after each training session. A follow-up survey will be emailed to participants approximately 45 days after training has been completed to measure what impact training information received has had on day-to-day practices and to identify topics/issues to be addressed through on-going training and discussion.

MAC will reimburse training attendees for mileage at the rate of .540/mile if they are traveling more than 30 miles round trip, applicable meals at the allowed rate per the Commissioner's Plan, and two nights of lodging at or below the federally allowable rate.

3) Quarterly Skill Building Webinar Discussion

Development of quarterly webinar series. Webinar topics will address specific issues identified by members in the 2016 Training Survey. Possible topics include:

- Rural victim services
- Providing culturally competent services
- Working with incarcerated victims of crime
- Compassion fatigue/self-care
- Use of support dogs in victim services
- ACE's Study
- Historical Trauma
- Understanding victim behavior

- Working with children
- Working with families of missing children
- Parenting time/Custody law
- What does the BCA do?
- Gathering technological evidence
- DV and firearm prohibitions
- DWI/Current law regarding blood tests
- Civil remedies for victims
- Access to SANE exams
- Payment of SANE exams and rape kits
- Primary prevention strategies

The 2016 Training Survey revealed the need and desire of victim service advocates to receive up-to-date information on a variety of topics. The preferred method identified for this kind of information sharing, was use of webinar technology. This will not only allow for new information to be shared, but also for victim service advocates around the state to connect, exchange information, and problem solve collectively.

Development of the webinar series would take place from May- August 2016. Delivery would occur October 2016, January, April, July, October 2017, January, April 2018.

Anticipate 30-50 victim service advocates will participate in the quarterly one-hour webinar.

An online evaluation will be required to be completed before the webinar participants end the session. A semi-annual webinar survey will be distributed to gather information regarding how participants have integrated new information received and to solicit new topics for discussion.

4) Semi-Annual Prosecutor Training

Development and delivery of semi-annual, half-day, in-person training at a metro and outstate location. Training topic would focus on improving prosecution of general crimes committed against adults and children. Possible topics could include:

- Admission of child statements in child criminal sexual conduct cases
- Best practices in prosecuting child pornography cases
- When do protective order violations become a stalking case
- Advanced trial strategies
- Prosecuting financial exploitation/ID theft cases
- Best practice homicide investigation
- Securing technological evidence
- Compassionately preparing adult and child victims for trial

Prosecutors who completed the 2016 Training Survey indicated the need for on-going training specific to enhancing prosecutorial techniques that would result in successful prosecution of cases. Survey participants indicated the desire to receive this information in person and in both a metro and outstate location.

Development and planning would take place July – September 2016. Delivery would occur in November 2016, May 2017, November 2017, and May 2018.

Anticipate 20 prosecutors will attend 2016 training, 30 prosecutors will attend 2017 trainings, and 35 will attend 2018 training. MAC will reimburse mileage, applicable meals and lodging.

Written evaluations will be completed on-site after the training session. A follow-up survey will be emailed to participants approximately 60 days after training has been completed to measure what impact training information received has had on day-to-day practices.

MAC will reimburse MAC members attending training for mileage at the rate of .540/mile if they are traveling more than 30 miles round trip, applicable meals at the allowed rate per the Commissioner's Plan, and one night of lodging at or below the federally allowable rate.

5) Coordinated Coalitions' Training

Coordinated one-day annual training with the other 5 statewide coalitions for victim service advocates addressing topics intersectional to all crime types. Training topics could include:

- Identifying bias
- Implications of untreated trauma
- Strengthening victim resiliency
- Racial disparity in victimization
- Intersection of oppression and victimization
- Strengthening collaborations
- Co-occurrence of domestic violence, sexual assault, and child protection issues
- Legal needs of crime victims
- Use of restorative justice practices
- Redefining 'justice' with victims of crime

Participants in the 2016 Training Survey indicated that they would like MAC to coordinate with other coalitions to provide in-depth information on topics that intersect all crime types. MAC members clearly stated they were not interested in MAC being a part of training that is domestic violence or sexual assault specific. Issues of providing culturally competent services, being aware of personal and institutional bias, and understanding the racial disparity in victimization ranked high among the suggested topics.

Development and planning would occur among all 6 statewide coalitions November 2016 – March 2017 with delivery occurring in June 2017 and June 2018.

Anticipate 40 MAC members will attend in 2017 and 50 in 2018.

MAC will reimburse MAC members attending training for mileage at the rate of .540/mile if they are traveling more than 30 miles round trip, applicable meals at the allowed rate per the Commissioner's Plan, and one night of lodging at or below the federally allowable rate.

State of Minnesota
HOUSE OF REPRESENTATIVES

EIGHTY-NINTH SESSION

H. F. No. 3468

03/23/2016 Authored by Scott; Lesch; Metsa; Anderson, M., and Backer

The bill was read for the first time and referred to the Committee on Civil Law and Data Practices

1.1 A bill for an act
1.2 relating to data practices; classifying portable recording system data; establishing
1.3 requirements for destruction of certain data in certain cases; requiring consent to
1.4 record data on private property with exceptions; imposing requirements on law
1.5 enforcement agencies and vendors; requiring audits; requiring a written policy;
1.6 requiring approval by a local governing body; amending Minnesota Statutes
1.7 2014, section 13.82, subdivisions 6, 7; Minnesota Statutes 2015 Supplement,
1.8 section 13.82, subdivision 2; proposing coding for new law in Minnesota
1.9 Statutes, chapters 13; 626.

1.10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.11 Section 1. Minnesota Statutes 2015 Supplement, section 13.82, subdivision 2, is
1.12 amended to read:

1.13 Subd. 2. **Arrest data.** The following data created or collected by law enforcement
1.14 agencies which document any actions taken by them to cite, arrest, incarcerate or
1.15 otherwise substantially deprive an adult individual of liberty shall be public at all times
1.16 in the originating agency:

- 1.17 (a) time, date and place of the action;
- 1.18 (b) any resistance encountered by the agency;
- 1.19 (c) any pursuit engaged in by the agency;
- 1.20 (d) whether any weapons were used by the agency or other individual;
- 1.21 (e) the charge, arrest or search warrants, or other legal basis for the action;
- 1.22 (f) the identities of the agencies, units within the agencies and individual persons
1.23 taking the action;
- 1.24 (g) whether and where the individual is being held in custody or is being incarcerated
1.25 by the agency;

(h) the date, time and legal basis for any transfer of custody and the identity of the agency or person who received custody;

(i) the date, time and legal basis for any release from custody or incarceration;

(j) the name, age, sex and last known address of an adult person or the age and sex of any juvenile person cited, arrested, incarcerated or otherwise substantially deprived of liberty;

(k) whether the agency employed ~~an~~ a portable recording system, automated license plate reader, wiretaps or other eavesdropping techniques, unless the release of this specific data would jeopardize an ongoing investigation;

(l) the manner in which the agencies received the information that led to the arrest and the names of individuals who supplied the information unless the identities of those individuals qualify for protection under subdivision 17; and

(m) response or incident report number.

Sec. 2. Minnesota Statutes 2014, section 13.82, subdivision 6, is amended to read:

Subd. 6. **Response or incident data.** The following data created or collected by law enforcement agencies which document the agency's response to a request for service including, but not limited to, responses to traffic accidents, or which describe actions taken by the agency on its own initiative shall be public government data:

(a) date, time and place of the action;

(b) agencies, units of agencies and individual agency personnel participating in the action unless the identities of agency personnel qualify for protection under subdivision 17;

(c) any resistance encountered by the agency;

(d) any pursuit engaged in by the agency;

(e) whether any weapons were used by the agency or other individuals;

(f) a brief factual reconstruction of events associated with the action;

(g) names and addresses of witnesses to the agency action or the incident unless the identity of any witness qualifies for protection under subdivision 17;

(h) names and addresses of any victims or casualties unless the identities of those individuals qualify for protection under subdivision 17;

(i) the name and location of the health care facility to which victims or casualties were taken;

(j) response or incident report number;

(k) dates of birth of the parties involved in a traffic accident;

(l) whether the parties involved were wearing seat belts; ~~and~~

(m) the alcohol concentration of each driver; and

3.1 (n) whether the agency used a portable recording system to document the agency's
3.2 response or actions, including a brief description of its compliance with section 13.825,
3.3 subdivision 3.

3.4 Sec. 3. Minnesota Statutes 2014, section 13.82, subdivision 7, is amended to read:

3.5 Subd. 7. **Criminal investigative data.** Except for the data defined in subdivisions
3.6 2, 3, and 6, investigative data collected or created by a law enforcement agency in order
3.7 to prepare a case against a person, whether known or unknown, for the commission of a
3.8 crime or other offense for which the agency has primary investigative responsibility are
3.9 confidential or protected nonpublic while the investigation is active. Inactive investigative
3.10 data are public unless the release of the data would jeopardize another ongoing investigation
3.11 or would reveal the identity of individuals protected under subdivision 17. Images and
3.12 recordings, including photographs, video, and audio records, which are part of inactive
3.13 investigative files and which are clearly offensive to common sensibilities are classified
3.14 as private or nonpublic data, provided that the existence of the ~~photographs~~ images and
3.15 recordings shall be disclosed to any person requesting access to the inactive investigative
3.16 file. An investigation becomes inactive upon the occurrence of any of the following events:

3.17 (a) a decision by the agency or appropriate prosecutorial authority not to pursue
3.18 the case;

3.19 (b) expiration of the time to bring a charge or file a complaint under the applicable
3.20 statute of limitations, or 30 years after the commission of the offense, whichever comes
3.21 earliest; or

3.22 (c) exhaustion of or expiration of all rights of appeal by a person convicted on
3.23 the basis of the investigative data.

3.24 Any investigative data presented as evidence in court shall be public. Data
3.25 determined to be inactive under clause (a) may become active if the agency or appropriate
3.26 prosecutorial authority decides to renew the investigation.

3.27 During the time when an investigation is active, any person may bring an action in
3.28 the district court located in the county where the data are being maintained to authorize
3.29 disclosure of investigative data. The court may order that all or part of the data relating to
3.30 a particular investigation be released to the public or to the person bringing the action. In
3.31 making the determination as to whether investigative data shall be disclosed, the court
3.32 shall consider whether the benefit to the person bringing the action or to the public
3.33 outweighs any harm to the public, to the agency or to any person identified in the data.
3.34 The data in dispute shall be examined by the court in camera.

4.1 Sec. 4. **[13.825] PORTABLE RECORDING SYSTEMS.**

4.2 Subdivision 1. **Application; definitions.** (a) This section applies to law enforcement
4.3 agencies that maintain a portable recording system for use in investigations, or in response
4.4 to emergencies, incidents, and requests for service.

4.5 (b) A peace officer who collects portable recording system data, and any other
4.6 officer whose activities are recorded on the data, regardless of whether the officer is or
4.7 can be identified by the recording, is a subject of the data for purposes of this chapter,
4.8 except that the rights of a data subject provided in subdivisions 2 and 3 do not apply to a
4.9 peace officer while the officer is investigating or responding to an emergency, incident, or
4.10 request for service.

4.11 (c) As used in this section, "portable recording system" means a device worn by a
4.12 peace officer that is capable of both video and audio recording of the officer's activities and
4.13 interactions with others or collecting digital multimedia evidence as part of an investigation.

4.14 Subd. 2. **Data classification; retention requirements.** (a) Data collected by a
4.15 portable recording system are classified and must be maintained as follows:

4.16 (1) data that document law enforcement activity that does not constitute an
4.17 investigation or a response to an emergency, incident, or request for service, are private or
4.18 nonpublic data, and must be destroyed within 30 days of collection;

4.19 (2) data that document a law enforcement investigation or response to an emergency,
4.20 incident, or request for service are public, subject to paragraph (c), if the data document
4.21 activities in a location where a subject of the data does not have a reasonable expectation of
4.22 privacy. The data must be retained for no longer than any applicable statute of limitations
4.23 period has expired, or 180 days after the close of an investigation, whichever is later; and

4.24 (3) data that document a law enforcement investigation or response to an emergency,
4.25 incident, or request for service are private data on individuals or nonpublic data if the data
4.26 document activities in a location where a subject of the data has a reasonable expectation
4.27 of privacy, except that data that document a law enforcement investigation or response that
4.28 involves a use of force resulting in bodily harm, as defined in section 609.02, are public,
4.29 subject to paragraph (c). Data subject to this clause must be retained for no longer than
4.30 any applicable statute of limitations period has expired, or 180 days after the close of an
4.31 investigation, whichever is later.

4.32 (b) Data subject to the classification and retention requirements of this subdivision
4.33 may not be released or disseminated to any person unless the following individuals'
4.34 identities have been blurred or distorted sufficiently to render the individuals unidentifiable:

4.35 (1) individuals whose appearance on the recording are incidental and whose activities
4.36 are unrelated to the purpose of the law enforcement investigation or response; and

(2) individuals whose identities are subject to protection under section 13.82.

(c) Portable recording system data that relate to an active investigation are classified as provided in section 13.82, subdivision 7. When the investigation becomes inactive, the data are classified as provided in this subdivision.

Subd. 3. Notice and consent required to collect data in private locations; exceptions. (a) Except as provided in paragraph (b), a portable recording system may not record activity at a location where a subject of the data has a reasonable expectation of privacy unless:

(1) the peace officer has notified each data subject whose activities may be recorded of the existence of the recording system; and

(2) each data subject has consented to the recording system's use.

(b) The notice and consent requirements of paragraph (a) are not required:

(1) in searches conducted according to the terms of a valid search warrant;

(2) where exigent circumstances reasonably prevent the law enforcement agency from providing notice and obtaining consent; or

(3) from individuals recorded incidentally by the portable recording system and whose activities are unrelated to the purpose of the law enforcement investigation or response, if the officer has made a reasonable effort to prevent those activities from being recorded.

(c) The consent requirements of paragraph (a) are not required in an investigation of, or response to, a report of domestic abuse as defined in section 518B.01, subdivision 2.

Subd. 4. Use of portable recording systems required. (a) At any time an officer is equipped with a portable recording system, the system must be used to document the peace officer's investigations and responses to all emergencies, incidents, and requests for service. The portable recording system must collect data for the full duration of the officer's investigation or response, subject to the notice and consent requirements of subdivision 3. A peace officer may only use a portable recording system issued and maintained by the officer's agency documenting the officer's investigations and responses.

(b) In the event of a conflict between this subdivision and subdivision 7, this subdivision applies.

Subd. 5. Facial recognition technology. A law enforcement agency may not deploy or use facial recognition technology in connection with any portable recording system data unless expressly authorized by law. Facial recognition technology may be used to blur or distort the identity of an individual protected by subdivision 2, paragraph (b).

Subd. 6. Use of force cases; officer review prior to completion of report prohibited. A responding peace officer may not review data collected on a portable

6.1 recording system prior to completing the officer's final report documenting the emergency,
6.2 incident, or request for service if the law enforcement response involved a use of force.

6.3 Subd. 7. **First amendment activities.** To the extent possible, portable recording
6.4 systems must only be used to record a peace officer's investigations and responses to a
6.5 specific emergency, incident, or request for service. Except in response to a specific
6.6 emergency, incident, or request for service, a portable recording system may not collect
6.7 data at any event, activity, or assembly subject to protection under the First Amendment
6.8 of the United States Constitution unless the data collection has been authorized, in
6.9 writing, by the chief of police, sheriff, or head of the law enforcement agency. A written
6.10 authorization is public data at all times.

6.11 Subd. 8. **Authorization to access data.** (a) A law enforcement agency must comply
6.12 with sections 13.05, subdivision 5, and 13.055 in the operation of portable recording
6.13 systems and in maintaining portable recording system data.

6.14 (b) The responsible authority for a law enforcement agency must establish written
6.15 procedures to ensure that law enforcement personnel have access to the portable recording
6.16 system data that are not public only if authorized in writing by the chief of police, sheriff,
6.17 or head of the law enforcement agency, or their designee, to obtain access to the data
6.18 subject to the terms of a search warrant. Consistent with the requirements of paragraph
6.19 (c), each access must include a record of the search warrant that is the basis for the access.

6.20 (c) The ability of authorized individuals to enter, update, or access portable recording
6.21 system data must be limited through the use of role-based access that corresponds to
6.22 the official duties or training level of the individual and the statutory authorization that
6.23 grants access for that purpose. All queries and responses, and all actions in which data
6.24 are entered, updated, accessed, shared, or disseminated, must be recorded in a data
6.25 audit trail. Data contained in the audit trail are public, to the extent that the data are
6.26 not otherwise classified by law.

6.27 Subd. 9. **Sharing among agencies.** (a) Portable recording system data that are not
6.28 public may only be shared with or disseminated to another law enforcement agency, a
6.29 government entity, or a federal agency subject to a search warrant and upon meeting the
6.30 standards for requesting access to data as provided in subdivision 8.

6.31 (b) If data collected by a portable recording system are shared with another law
6.32 enforcement agency under this subdivision, the agency that receives the data must comply
6.33 with all data classification, destruction, and security requirements of this section.

6.34 (c) Portable recording system data may not be shared with, disseminated to, sold to,
6.35 or traded with any other individual or entity unless explicitly authorized by this section
6.36 or other applicable law.

7.1 Subd. 10. **Biennial audit.** (a) A law enforcement agency must maintain records
7.2 showing the date and time portable recording system data were collected and the
7.3 applicable classification of the data. The law enforcement agency shall arrange for
7.4 an independent, biennial audit of the data to determine whether data are appropriately
7.5 classified according to this section, how the data are used, and whether they are destroyed
7.6 as required under this section, and to verify compliance with subdivisions 8 and 9. If the
7.7 commissioner of administration believes that a law enforcement agency is not complying
7.8 with this section or other applicable law, the commissioner may order a law enforcement
7.9 agency to arrange for additional independent audits. Data in the records required under
7.10 this paragraph are classified as provided in subdivision 2.

7.11 (b) The results of the audit are public. The commissioner of administration shall
7.12 review the results of the audit. If the commissioner determines that there is a pattern
7.13 of substantial noncompliance with this section by the law enforcement agency, the
7.14 agency must immediately suspend operation of all portable recording systems until the
7.15 commissioner has authorized the agency to reinstate their use. An order of suspension
7.16 under this paragraph may be issued by the commissioner upon review of the results of the
7.17 audit, upon review of the applicable provisions of this chapter, and after providing the
7.18 agency a reasonable opportunity to respond to the audit's findings.

7.19 (c) A report summarizing the results of each audit must be provided to the
7.20 commissioner of administration, to the chair and ranking minority members of the
7.21 committees of the house of representatives and the senate with jurisdiction over data
7.22 practices and public safety issues, and to the Legislative Commission on Data Practices
7.23 and Personal Data Privacy no later than 30 days following completion of the audit.

7.24 Subd. 11. **Notification to Bureau of Criminal Apprehension.** (a) Within ten days
7.25 of implementation of a portable recording system, a law enforcement agency must notify
7.26 the Bureau of Criminal Apprehension of that implementation, including the number of
7.27 officers equipped with a portable recording system device.

7.28 (b) The Bureau of Criminal Apprehension must maintain a list of law enforcement
7.29 agencies using portable recording systems and the number of officers in each agency
7.30 using a portable recording system device. The list is public and must be available on the
7.31 bureau's Web site.

7.32 Subd. 12. **Portable recording system vendors.** (a) For purposes of this subdivision,
7.33 a "portable recording system vendor" means a person who is not a government entity and
7.34 that provides services for the creation, collection, retention, maintenance, processing, or
7.35 dissemination of portable recording system data for a law enforcement agency or other

government entity. By providing these services to a government entity, a vendor is subject to all of the requirements of this chapter as if it were a government entity.

(b) Subject to paragraph (c), in an action against a vendor under section 13.08, for a violation of this chapter, the vendor is liable for presumed damages of \$2,500 or actual damages, whichever is greater, and reasonable attorney fees.

(c) In an action against a vendor that improperly discloses data made not public by this chapter or any other statute classifying data as not public, the vendor is liable for presumed damages of \$10,000 or actual damages, whichever is greater, and reasonable attorney fees.

EFFECTIVE DATE. This section is effective August 1, 2016. Data collected before the effective date of this section must be destroyed, if required by this section, no later than 15 days after the date this section becomes effective.

Sec. 5. **[626.8473] PORTABLE RECORDING SYSTEMS ADOPTION;
WRITTEN POLICY REQUIRED.**

Subdivision 1. **Definition.** As used in this section, "portable recording system" has the meaning given in section 13.825, subdivision 1.

Subd. 2. **Public comment; approval of local governing body required.** (a) A local law enforcement agency may not purchase or implement a portable recording system unless the governing body with jurisdiction over the law enforcement agency has approved:

(1) purchase and implementation of the system; and

(2) the written policy required under subdivision 3.

(b) A vote to approve use of a portable recording system and the written policy required by subdivision 3 must occur at a regularly scheduled meeting of the governing body, following an opportunity for public comment. Notice of the meeting must be posted at least 30 days prior to the date of the meeting.

Subd. 3. **Written policies and procedures required.** (a) The chief officer of every state and local law enforcement agency that uses or proposes to use a portable recording system must establish and enforce a written policy governing its use, subject to the approval requirements in subdivision 2. Use of a portable recording system without adoption of a written policy meeting the requirements of this subdivision is prohibited. The written policy must be posted on the agency's Web site.

(b) At a minimum, the written policy must incorporate the following:

(1) the requirements of section 13.825 and other data classifications, access procedures, retention policies, and data security safeguards that, at a minimum, meet the requirements of chapter 13 and other applicable law;

9.1 (2) procedures for testing the portable recording system to ensure adequate
9.2 functioning;

9.3 (3) procedures to address a system malfunction or failure, including requirements
9.4 for documentation by the officer using the system at the time of a malfunction or failure;

9.5 (4) circumstances under which recording is mandatory, prohibited, or at the
9.6 discretion of the officer using the system;

9.7 (5) circumstances under which the consent of a data subject is required prior to
9.8 recording;

9.9 (6) circumstances under which a data subject must be given notice of a recording;

9.10 (7) circumstances under which a recording may be ended while an investigation,
9.11 response, or incident is ongoing;

9.12 (8) procedures for the secure storage of portable recording system data and the
9.13 creation of backup copies of the data;

9.14 (9) procedures to ensure compliance and address violations of the policy, which
9.15 must include, at a minimum, supervisory or internal audits and reviews, and the employee
9.16 discipline standards for unauthorized access to data contained in section 13.09; and

9.17 (10) if applicable, any other standards for use contained in a uniform policy adopted
9.18 by the Minnesota Chiefs of Police Association or the Minnesota Sheriffs' Association.

9.19 **EFFECTIVE DATE.** This section is effective August 1, 2016, provided that a
9.20 law enforcement agency using a portable recording system on that date must secure the
9.21 governing body's approval of the system and the policy required under this section, no
9.22 later than January 15, 2017.
