 - Some programs late

IV. Updates

- a. Executive Committee (Kelly)
 - i. We met by phone; focused discussion item later in mtg
- b. Finance Committee (Chris & Heidi)
 - i. Next mtg on August 17
 - ii. Grateful to have Heidi some today – topical areas to include FSR work
 - iii. Questions about financials? Should have gotten summary and fiscal year-end report
 - iv. 941 document included
 - v. Heidi:
 - Understand what Heidi does, what MAC staff does, and what Chris does since he will be transitioning out of the Board
 - Chris – the bulk of the work is done by MAC staff and Heidi but Chris provides essential oversight
 - Financial statements:
 - Info sent from MAC staff – receipts, what fund it's coming out of and Heidi plugs in numbers
 - And end of month, she pulls bank statement and balances MAC checkbook – financial summary shows that check register reflects what the bank says – Board gets monthly summary
 - Electronic deposits from the state but no level of detail on transaction – reconciliation is done by Heidi
 - Runs all checks and deposits against May's starting balance to ensure number agree
 - Savings account – enters interest earned – no activity – those are the two asset accounts
 - MAC Financial Guidelines created two years ago – shifted treasurer's role to be less hands on – Julia does deposits weekly
 - MAC used to submit FSRs quarterly and there was activity on savings but monthly, there isn't – submit FSRs monthly because it's a simpler process
 - MAC cash on hand is combo of savings and checking but only focus on checking
 - Heidi verifies balance sheet, which shows MAC's standing on any given day – checking balance is column to watch but other columns are only used by Heidi –
 - At end of OJP grant, money goes back into unrestricted funds (end of next year, 2 year grant) – fiscal years do not jive (OJP and MAC)
 - Unrestricted shows we have more money than we do – total amount column is accurate
 - Grants we have not received yet not accounted for
 - Cash accounting – matches with monthly reviews – do not accrue payables – account for them as they are paid (except payroll)
 - Tax liabilities paid following month by 15th
 - Health insurance number also fluctuates

- Equity fund balances – add up negative numbers – roll into unrestricted – gets net equity
- Separate worksheet that details grant – what it was, what has been spent, what is remaining, and what we have received back in cash
- 144,176 from CVS grant – end of grant Sept 2019 – helps keep MAC on track to utilize grant funds – budget amendments, etc. – underspending grants
- Heidi looks at bank statements, staff gives her receipts, staff track grant spend
- Julia does FSRs
- Income statement
 - Year-end captures all 12 months – done by month and by fund
 - Records all our income as unrestricted
 - Expenses split into what grant they come out of
 - 19,363.92 (record) – revenue received over costs – dues, donations, silent auction – goes back into checking at end of year (unrestricted)
 - In Kind income and expense: VOCA training and special projects will come with 25% match – can use in kind income as soft match – track intern hours – In kind income is: intern works for free at rate set by state; income also has to be an expense - \$10,000 work is income but also need \$10,000 expense (which is interns being “paid” for their work) - \$10,000 in volunteer hours – match piece is, 25% of \$10,000 is matched – 25% match requirement for interns – expense is what the grant people look at to see that we made out match – phantom expense and income – requirement of VOCA dollars is that we utilize volunteers – this is a way we see it on paper – demonstrate that we use interns – “mythical money” – put match into the budget without it being a hard match – state dollars do not have a match requirement – that’s why it is on the income statement as income and expense so it zeros out – does budget based on having an intern year round full time
- Grant Recaps
 - Tracks grant spend, close out etc. – grant balances - \$5,000 for interpretive services
- 941: payroll
 - Done every two weeks
 - Fed and state taxes, FICA withheld – paid at end of month
 - Quarterly fills out form for IRS showing what has been paid and what is owed in taxes
 - End of year, completes 940 and balances everything
 - MN quarterly report with same info
 - Quarterly pays MN unemployment
 - Half of Julia’s time is paid by NITVAN until end of April
- Bobbi worked with Heidi to ensure staff increases were accurate

- Financial guidelines – every transaction has a paper trail (email and receipt) so issues can be resolved easily
 - 990: informational return for non-profits to file, no tax implications, holds non-profits accountable for taxes, public information (filed with attorney general) – transparency – completed by Harington Langfield (?) – signed at annual meeting
 - FSR: purchase is made, receipt sent to Heidi who tracks it; preliminary financials sent to Julia – she tracks grant spend on spreadsheet – reports back to Heidi who then puts together the monthly financials – Julia puts together FSRs – reports what grant money is being spent on (expense report) – OJP grants and NITVAN grant – grant manager contacts Julia if there are any questionable expenses (you spent money on something you didn't budget for, etc) – NITVAN has more strict requirements than OJP – have passed grant reviews
 - Expense codes: correlates expense and what grant it comes out of
 - How does Amazon Smile work with this?
 - Gets deposited when it reaches \$5
 - Bobbi gets email and forwards it to Heidi so she can account for it in the financials (minus processing fee)
 - How much of staff time is spent on these processes?
 - 20 min/day or 4 hours/month
 - Budget amendments will take more time
 - Chris: a few hours per month – reviews financials and looks for anything inconsistent/odd – figure out how the flow works – sign checks – gets an inside view of the direction of MAC – extra set of eyes
- c. Public Policy committee (Bobbi)
- i. On hold
- d. Outreach and Fundraising (Pamela)
- ii. Pamela met with Julia – has been trying to assign people to the different places on the spreadsheet and attempted to match places with board members who can easily pick them up – Pamela will send spreadsheet to Board – only have 17 received donations
 - iii. Baskets must be brought to MAC before annual meeting (sometime in Aug)
 - iii. Karla is doing Wonder Woman basket
- e. Board Development Committee (Karla)
- i.

V. Discussion & Action Items

- a. Board Development Project
- i. MAC wants to make board participation something that is beneficial for board members – education, skill enhancement, networking, etc.
 - ii. Want people to be invested in since they are investing their time
 - iii. Can help with recruitment
 - iv. Aurora: has helped us focus in the past; they put together a development proposal for the Board:

- Training – needs to be approved by Board for budget
- This can benefit current and future board members – what do we want the Board to look like? How do we make sure the Board is representative of all we serve?
- Development opportunity for everyone at the table – create leaders in this field – best practice in outreach and onboarding
- Kick off in the fall when new members join – create a 3-year plan btwn staff and board members
- \$4500 is the cost
- Need to make sure our Board is grounded in who MAC is, as individuals, and as a group, create sustainability
- Board needs to improve our understanding of how we support the board and that staff aren't the ones who should be doing everything
- As seasoned board members phase out, we will have an understanding of how we can move forward
- Can help us focus energy, helped us crush the 2 year plan
- C4 Board? Have not gotten that determination
- **Motion to approve \$4500 for the board dev plan with Aurora**
 - 1st Chris
 - 2nd Dresden**Approved**

- b. Annual Plan and Implementation Steps
- i. Kelly reached out to committee chairs
 - ii. Q1 implementation steps from the Board so Julia can plug them into the plan
 - iii. Each committee please complete and send to Bobbi within the next week
 - iv. In the past, staff did all implementation steps but that doesn't jive with our philosophy of Board taking ownership
 - v. Board supporting staff is exemplified in Board creating implementation steps
 - vi. Karla will send Board Dev Committee steps to Julia

VI. Adjourn

- a. **Motion made to adjourn the meeting at 11:28am**

Executive Director's Report November 2018

MAC Updates

- **Who are MAC's Members:** Danielle created a document that breaks down the makeup of MAC's member programs. This document has been very helpful when talking with funders, stakeholders, and sister coalition programs. Please feel free to use the information when you are talking about MAC.
- **Funding:** The Minnesota Office of Justice Programs (OJP) has begun to release FY19 VOCA funding RFPs.
 - **Coalition VOCA Training Grants:** All 6 statewide coalitions agreed to split \$1 million that OJP set aside for the coalitions. Sacred Hoop decided not to apply, so our ask was for just under \$200,000. The grant narrative and budget are included in the board packet. NOTE: I wrote a .5 FTE into the project as Danielle will need significant support to develop and deliver the volume of trainings that are planned over the next 3 years. Julia will fill the .5 FTE to work with Danielle and this will allow us to keep her at full time status after the NITVAN grant sunsets on 3/30/19.
 - **VOCA Special Projects:** I met with Cecilia Miller on 9/25/18 to discuss MAC's plan to apply for special project funding to hire a temporary full-time project coordinator to complete a statewide needs assessment/gap analysis regarding how victims' rights are afforded/upheld throughout the state. Cecilia had a favorable response to the proposed project and indicated that OJP would likely fund our application. She anticipates OJP will release the RFP early winter with an April 1, 2019 start date.
 - I also advocated that OJP set aside VOCA funding and develop a specific RFP for 10 law enforcement entities to pilot development of victim specialist positions within their department. I am working with the Chief's and Sheriff's Associations to help identify LE agencies that currently have the capacity to implement the suggested model.
 - **Request for Increase to MAC's Base Level Funding:** When I met with Cecilia, I requested an increase to our current level of funding to hire a fulltime admin/finance person. As MAC grows and our budget grows, it strains the capacity of Heidi Hachfeld to handle of our bookkeeping needs. Julia has done a great job taking on day-to-day duties, but will not be able to continue to perform those duties once she begins working with Danielle on training. MAC's general day-to-day administrative support needs have also grown.
 - I asked for an increase of approximately \$61,000/year for the next 3 years to hire a FT operations manager. OJP has approved our request. Because that position is not VOCA eligible and they no longer have state funds available, we will need to adjust payroll distributions. Danielle's position is VOCA eligible, so we will move her to VOCA and OJP has decided the easiest way to get the funding to MAC will be to add an additional \$180,000 to our VOCA Training Grant Contract. I am hoping to post the new position by mid-November anticipating having someone in the position by January 1.

- **NOTE:** All VOCA funding has a 25% match requirement. I have submitted a partial waiver request and have indicated that MAC has the ability to meet a 10% match. The 10% match will come from in-kind income from intern hours, trainers donating time, and donated training space.
- **Office Space:** In anticipation of MAC growing to 5 FTE by early spring and needing to have 2 interns working with us year round, MAC will need to expand our current office space. The office space next to MAC's current office has become available and would add approximately 550 square feet. I have been working with the building owner, Jim Miller, to negotiate terms of a 3-year lease extension and have created a document that is included in the board packet and outlines all costs associated with expansion of MAC's offices. Upon approval by the Executive Committee, I signed the 3-year lease extension.
- **Updated Position Descriptions:** In an effort to more accurately reflect the work being done by MAC staff I have updated all position descriptions and developed a description for the operations manager position. I also made the decision to change staff titles to more accurately reflect what they do.
 - Danielle and Julia are now both program managers and the staff hired with VOCA Special Project Funds will be a project coordinator. As stated, the new FT admin/finance position will have the title of operations manager. Since my position description (PD) had not been updated since I was hired, I worked with the Executive Committee to complete the updates. All PDs are included in the board packet.
 - I am asking the board to approve salary increases for Danielle and Julia. I very much need Julia to be an exempt/salaried employee and need to increase her wages in order to meet the minimum threshold. I am also requesting a 2% increase for Danielle as her duties related to training will increase significantly. A payroll distribution proposal for both of these requests is included on the board packet.
- **Updated Board Documents:** Please take time to read all of the updated board handbook materials. There have been a lot of updates and additional information added to the handbook. I will be working with Danielle to ensure the contents of the board handbook is also uploaded to the board page of the MAC website.
- **990:** Our 2017 Charitable Organization Annual Report and 990 have been completed, signed, and submitted. Both are included in the board packet.
- **501(c)(4) application:** We were notified by the IRD that due to the 2018 Tax Bill, charitable organizations are no longer allowed to hold more than 1 designation under the 501(c) tax code. Since we are not interested in dissolving our (c)(3) status and reapply as a (c)(4), they have refunded our \$600 application fee. The IRS determination letter is included in the board packet.
- **Silent Auction Proceeds:** MAC fundraised \$2,379 for the 2018 silent auction, an increase of \$_____ from 2017 (where we fundraised \$2,008). All silent auction items were fully paid for by 10/8/18. In 2019, MAC will slightly adjust silent auction plans, aiming to find more higher value items in hopes of increasing the silent auction fundraising income.
- **File Sharing and Backup:** On October 23rd, MAC downloaded a trial version of Dropbox for teams. Dropbox allows MAC staff to backup, share, and remotely access files. This is an essential tool as we grow as an organization. When the trial period ends, MAC will purchase 3 licenses for a year at \$12.50 per user per month. The total for the initial purchase will be \$450. Once we add 2 additional staff, Dropbox will cost \$750 per year. MAC interns will not have a Dropbox account, but will continue to work on and share files using a computer, e-mail, and Google drive.
- **Give to the Max Day:** GTMD will be on **November 15, 2018**. MAC needs the full participation of the Board of Directors to make this day a success. Danielle has created a comprehensive resource for board members on participating in GTMD through emails and social networking. Please make sure you have read this thoroughly. Please contact Danielle if you have any questions.

MITCIRN (MN Identity Theft and Cybercrime Resource Network)

- **Extension Granted:** During the NCVF conference, grantees were notified that an extension was granted for 6 months. This will enable MAC to host 2 more quarterly meetings and continue to provide training and technical assistance supported by NITVAN grant funding.
- **Participation:** Currently 58 individuals representing 46 organizations have signed up to participate in MITCIRN. Please continue to encourage folks in your network to participate in MITCIRN!
- **July Network Meeting & Advanced Training:** The July training went extremely well! Participants were engaged and excited about the content, which consisted of a round table discussion with federal partners (FBI, HSI, USFIS, and the US Attorney's Office); as well as training on cyber security from the FBI and a professor from MSU. Modifications based on April training evaluations were well-received. There were 31 people in attendance. Of those who completed the training evaluation, 78.9% reported improved capacity to serve victims following this training.
- **Law Enforcement Investigation Training:** MAC is bringing in Sean McCleskey to provide free training on identity theft investigation for law enforcement on Wednesday, December 5th. The training will have a morning (8:30 AM – 12:00 PM) or afternoon (1:30 PM – 5:00 PM) session option. Sean is a retired Secret Service agent and current director of Organizational Education and Measurement at the Center for Identity, University of Texas. The training is co-sponsored by OJP, MSA, and MCA (pending final confirmation). POST credits will be applied for when we have the training agenda completed. Please make direct outreach to local law enforcement in your area to encourage participation, and help us spread the news! The training is coming fast, and we want to get the word out!
- **Law Enforcement Card Working Group:** There is a small group of MITCIRN participants working on a resource for law enforcement to keep in their vehicles. The resource will be a post it note they can give to victims who make a report that will direct victims to call the Day One Crisis Line for support and/or go to a website to seek supportive resources. The hope is to have the post-it completed to distribute at the free investigation training above and send out to other departments.
- **Mapping:** After discussions with partners at the National Center for Victims of Crime and OJP's CVJU, it was decided that it will not be a useful tool for MAC to map resources to provide a database for service providers. Alternatively, Julia will be working on putting together a Minnesota specific resource guide for local advocates to guide them in providing support and referrals to victims of various types of identity theft. The goal will be to complete the project before the close of the NITVAN grant in March 2018.
- **NCVC Conference (Sep 5-7):** Julia attended the NCVF conference in September, where she participated in a problem solving seminar presented by ITRC, and attended several events and workshops to learn about identity theft and network with other agencies. Several positive connections came out of this conference, including a stronger relationship with ITRC staff and plans for an October webinar.

Training and Engagement

- **Webinars:** Kristin Judge of the Cybercrime Support Network presented a webinar on October 23rd on 5 Steps to Securing Your Online Life. There were 42 participants.
- **Membership Outreach:** Membership outreach packets went out in October to 30 programs that provide general crime services but are not MAC members.

- **Newsletter:** Danielle released the October 2018 MAC newsletter. It had a 42% open rate.

Minnesota Alliance on Crime (MAC) Proposed Training Priorities

Proposed training priorities were determined by responses provided by MAC members for the 2018 Member Survey and at the 2018 Annual Membership Meeting. MAC members were asked to provide information regarding topics/issues that needed to be addressed to grow their capacity to better meet the needs of the crime victims they serve. Based on the responses received, the following priorities were identified.

1) **Annual Capacity Building Training (3 total trainings)**

1.5-day training to be held in September 2019, 2020, and 2021 in conjunction with MAC's half-day Annual Membership Meeting. Trainings will focus on building the capacity of member agencies to provide best practice and comprehensive victim services. Potential topics include, but are not limited to:

- Crime victims' rights
- Ethics in victim services

Anticipate 30-40 victim service advocates will attend each training.

Online evaluations will be completed by participants after each training session. A follow-up survey will be emailed to participants approximately 90 days after training has been completed to measure what impact training information received has had on day-to-day practices and to identify topics/issues to be addressed through on-going training and discussion.

MAC will reimburse each MAC member program that attends the training for mileage at the rate of .535/mile if they are traveling more than 45 miles round trip, and two nights of lodging at or below the federally allowable rate.

Dear Applicant:

We received your application for recognition of exemption from federal income tax under Internal Revenue Code (IRC) Section 501(c)(4). Our records indicate you are currently recognized as exempt from federal income tax as an organization described in IRC Section 501(c)(3).
