

Minnesota Alliance on Crime
Confidentiality Policy for Employees, Volunteers, and Board Members

Respecting the privacy of the donors, members, board, staff, interns, and volunteers of the Minnesota Alliance on Crime (MAC) is of primary value. Personal and financial information is confidential and should not be disclosed or discussed with anyone without permission or authorization from the executive director. Care shall also be taken to ensure that unauthorized individuals do not overhear any discussion of confidential information and that documents containing confidential information are not left in the open or inadvertently shared. Employees, interns, volunteers and board members of MAC may be exposed to information which is confidential and/or privileged and proprietary in nature. It is the policy of MAC that such information must be kept confidential both during and after employment or volunteer service.

Staff, interns, and volunteers, including board members, are expected to return materials containing privileged or confidential information at the time of separation from employment or expiration of service.

Unauthorized disclosure of confidential or privileged information is a serious violation of this policy and will subject the person(s) who made the unauthorized disclosure to appropriate discipline, including removal/termination.

Certification

I have read MAC's policy on confidentiality and the Statement of Confidentiality presented above. I agree to abide by the requirements of the policy and inform my supervisor immediately if I believe any violation (unintentional or otherwise) of the policy has occurred. I understand that violation of this policy will lead to disciplinary action, up to and including termination of my service with MAC.
