strategic visioning process & plan

Manifest our mission

Strengthen relationships in order to benefit victims, MAC members, and criminal justice systems.

Increase the capacity and resources of MAC to advance the response for victims of all crime.

Strengthen MAC's organizational leadership with the expectation that the Board of Directors will uphold best practices for governance and oversight.

Develop and increase membership

Develop and diversify membership in order to fully meet the needs of all crime victims in Minnesota.

Inform MAC's mission and work by elevating diverse victim and survivor voices.

Engage members to increase their knowledge, skills, expertise and resources.

Develop and sustain core programs

Enhance the ability of members to connect with each other and also to inform MAC's priorities.

Provide high quality trainings, technical assistance, and resources.

Develop and inform legislative and public policy solutions to advance the response for victims of all crime.

Engage stakeholders

Grow MAC's organizational capacity by pursuing relationships with potential supporters.

Create opportunities to increase public awareness of the unique needs of general crime victims/survivors.

Work with allied crime victim coalitions and service providers to advance the field for all victims and survivors.

program & training initiatives

With additional funding, MAC was able to grow our core programming in FY17.

- MAC formed the Public Policy Committee, which met weekly throughout the 2017 legislative session.
- Members utilized the membership listserv to connect with each other and get quick responses to questions.
- The monthly newsletter reached more than 600 professionals in the field.

program & training initiatives

- MAC more than tripled the number of in-person and webinar trainings we offered to members.
- Staff provided approximately 150 hours of technical assistance to member programs.
- MAC provided training to 689 individuals.
- The Capacity Building Training in September 2016 offered in-depth training to more than 65 members.

program & training initiatives

In June 2017, MAC launched Fundamentals in Victim Services, a two-day training for new general crime advocates.

The Training Development Workgroup:

- Shawn Becker, Rice County Attorney's Office
- Carolyn Bryant, Minnesota Office of Justice Programs
- Carrie Buddy, New Horizons Crisis Center
- Bernie Epper, Brown County Probation
- Krista Kim-Muñoz, Dakota County Attorney's Office
- Amee Krogfus, Mothers Against Drunk Driving
- Denise Loy, Chippewa County Attorney's Office
- Kelly Nicholson, Dakota County Attorney's Office

program & training initiatives: visioning forward

- Communication with members: newsletter, listservs, etc.
- Regional meetings: first meetings scheduled in Bemidji & Crookston 11/28 & 29 in conjunction with OJP training
- Future Fundamentals in Victim Services trainings: March training
- Webinars
